## EXPERIENCE

### Digital Marketing Supervisor (Manager-level scope)

2022 – Present

*Kadokawa Amarin Company Ltd. — Thai subsidiary of KADOKAWA*

- Own online ad budgets across 6 business lines (Ecommerce, Movies, Book Fairs, Merchandise, Retail, Ani-One POP-up Store); lead a team of 5; report directly to Director-level management.
- Prepare and present department performance reports directly to the Managing Director; serve as the connecting point between the team and executive management.
- Delivered +83% blended ROAS growth YoY across Google and Social Ads while reducing ad spend; grew organic traffic 55% through SEO/AEO.
- Led full-cycle marketing for a 15-title theatrical film slate (2023–2026), including influencer voice-dub casting reaching ~35M combined followers.
- Scaled a KOL program from 60+ partnered creators (2023–2024, awareness-focused) into a performance-based affiliate model (2025–2026) for phoenixnext.com: true ROAS ~8.8.
- Delivered a standout ROAS of 15 on the 2023 Genshin Impact Artbook campaign, and a viral, barter-based National Book Fair activation (500K+ organic views), an annual result since 2023.
- Project Manager for the National Book Fair stage program (2024–2025), coordinating venue, production, and talent for 200+ attendees per session.
- Delivered cosplayer/influencer-led brand campaigns for Phoenix Next's Alya light novel and Genshin Impact Artbook releases, and hololive's Houshou Marine Fanbook.
- Applied AI tools to build internal systems: a budget allocation dashboard, a film media registration system, and an automated content & artwork production pipeline.

### Research Assistant

2020 – 2021

*School of Agricultural Resources, Chulalongkorn University*

- Produced media content (camera, editing, direction, graphic design) and contributed to a data-entry web app for agriculturalists.

### Media Planner Intern

2020

*Saturn Communications Co., Ltd.*

- Planned and executed client ad campaigns across digital platforms.
